

# CURRICULUM VITAE

---

Name: Habib Mahama

Contact Address: C/O GHS, MHD Box 8, Navrongo, Upper East Region

Phone: 0242363589

Email: kangre2012@gmail.com

## PERSONAL INFORMATION

Date of Birth: 2nd February 1984

Sex: Male

Marital Status: Married

Nationality: Ghanaian

Rank: Senior Nursing Officer(PH)

## CAREER OBJECTIVE

Dedicated and service-driven Public Health Professional(Senior Nursing Officer) with over 15 years of frontline health service experience, especially in rural and hard-to-reach areas. I have served continuously in CHPS zones since my appointment into the Ghana Health Service, contributing significantly to community health, maternal and child care, and health systems strengthening. I am committed to promoting health equity and improving health outcomes in underserved communities.

## EDUCATIONAL BACKGROUND

Master of Public Health (MPH) – Candidate, University of Technology and Applied Sciences, Navrongo | 2023 – Present

BSc. Public Health Nursing, University of Health and Allied Sciences, Ho | 2020 – 2022

Diploma in Registered Community Nursing, KNUST | 2015 – 2017

Certificate in Community Health Nursing, CHNTC Navrongo | 2007 – 2009

SSSCE, Ghana Senior High School, Tamale | 2000 – 2002

BECE, Mpaha Junior High School | 1997 – 2000

## **KEY PROJECT**

### **Construction of a CHPS Compound – Azaasi, Kassena Nankana Municipality**

Led and coordinated a community-driven health infrastructure project to establish a CHPS compound in Azaasi. Worked closely with traditional leaders, stakeholders, and local politicians to mobilize support. Organized fundraising durbars, instituted household levies, and wrote appeals to institutions such as the Navrongo Health Research Centre. This initiative fostered community ownership and successfully led to the construction of a functional health facility, improving access to healthcare in the area.

## **CORE COMPETENCIES**

Health promotion

Community Health Nursing

Maternal and Child Health

Supportive Supervision

Health Data Management (DHIMS2, GhiLMIS)

Infection Prevention and Control

Community Engagement

Chps implementation

## **PROFESSIONAL EXPERIENCE**
